

Staff Networks

Ensuring your experience at LPFT is the best it can be

The strength of a tree is in its roots

Our Networks

REACH and Allies
(Race, Ethnicity and Cultural Heritage)

Men and Allies

Women and Allies

Menopause Drop-in

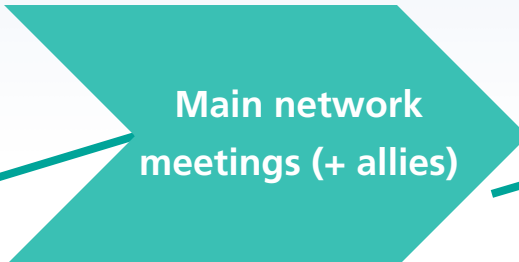

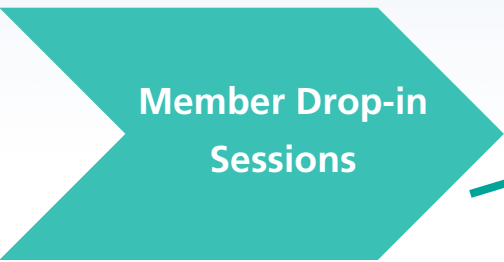

Neurodiversity Network

Fertility Network

LGBTQ+ and Allies
(Lesbian, Gay, Bi-, Trans*, Queer +)

Faith Network

MAPLE and Allies
(Mental and Physical Lived Experiences)

Our Staff Networks host Drop-in sessions, which are exclusive groups for individuals who share the characteristics of the network. Any issues are communicated to the main staff network and its Executive Sponsor (members of the Executive Team). Each network provides updates during our Council of Staff Networks, chaired by our Chief Executive, ensuring all concerns are communicated directly to our senior leaders.

A safe space for individuals with protected characteristics to share experiences.

Encourage staff to participate in discussions and contribute to policies.

Foster belonging and engagement, providing opportunities for celebration and awareness.

Offer assistance, information, and guidance.
