Bank Opportunities

In Bristol, North Somerset and South Gloucestershire

Looking for **increased flexibility**, the chance to earn some **extra money** and **build on your current experience?**

Look no further.

We are **Sirona care & health Community Interest Company (CIC)** – the South West's largest provider of community healthcare, providing specialist healthcare services for adults and children in Bristol, North Somerset and South Gloucestershire (BNSSG) – and it's an exciting time to join us!

Our NHS and Local Authority funded services span all ages from young babies to the elderly and everyone in between.

Our aim is to support people in their own homes and local communities wherever possible through our wide range of skilled and experienced clinical and non-clinical teams.

We are very much part of the wider BNSSG NHS and care community, working with colleagues in GP practices, hospitals, councils, mental health providers and the voluntary sector.

From clinical to clerical, entry-level to leadership, we offer a wide variety of location-based and community roles to choose from - with hours to fit around you.

We're committed to delivering integrated care and to adding value where it's needed across the localities we support.

For us, it's about the personal approach; we take pride in what we do and deliver the high standard of care that we'd expect for ourselves and our families.

Our 'Taking it Personally' values, to treat people as we would our own loved ones, are at the heart of what we do each day.

And this is where you come in

As we continue to grow and adapt, we'd love you to bring your skills, flair and experience to positively impact the lives of others. Your passion will help us deliver the best experience possible and make a difference to the people and families in our communities who rely on us.
