Staff Networks

Ethnic Minority Staff Network

Supporting colleagues from an ethnic minority background, this network strives to create and maintain racial equality at SFH whilst providing a safe and supportive space for ethnic minority colleagues.

sfh-tr.em.support@nhs.net

Women in Sherwood Staff Network

This network is dedicated to supporting matters affecting women at work such as ensuring equity of opportunity for all women, advancement of career and personal development opportunities, and tackling issues such as sexism in the workplace.

sfh-tr.wis.support@nhs.net

Carers Staff Network

Our carers network provides support to those who have the responsibility of being an unpaid carer outside of work. It strives to ensure good work-life balance and equity, as well as preventing discrimination of carers.

sfh-tr.carers.support@nhs.net

LGBTQ+ Staff Network

This network supports all colleagues who identify as LGBTQ+ and strives to create a safe and inclusive culture, supporting individuals to bring their whole selves to work.

sfh-tr.lgbt.support@nhs.net

WAND Staff Network

The 'We're Able and Disabled' network supports colleagues with disabilities and long-term health conditions. It is a safe space for members to share their experiences and contribute to creating a more inclusive and equitable culture at SFH.

sfh-tr.disability.support@nhs.net

Faith and Belief Network

Our Faith and Belief Staff Network provides a place for colleagues to come together, connect, and find out more about the facilities and support available for colleagues to practice their faith and belief in the workplace, as well as promote awareness of the diversity of faith and belief across our organisation. The network also provides a safe place for colleagues to come along and share any concerns they may have.
