Dear candidate

Thank you for taking the time to find out more about a career at Lincolnshire Community and Hospitals NHS Group (LCHG).

The Group is made up of Lincolnshire Community Health Services NHS Trust (LCHS) and United Lincolnshire Hospitals NHS Trust (ULHT), which have recently come together with the goal of improving the care provided to patients across Lincolnshire. We believe that by organising ourselves as a Group we are best able to leverage the benefits from our scale while ensuring effective management and oversight of services at a local level.

Our vision is to be a high-performing group, renowned for excellence and innovation, and providing safe and compassionate care to our patients in Lincolnshire. That means being a provider of excellent patient safety, known for delivering consistently high standards of harm-free care. It also means being an outstanding place to work, in which our values and behaviours are visible to all and guide us in how we work together.

We recognise that our people are our most valuable asset, and we are always keen to welcome highly skilled, committed and compassionate individuals who put patients at the heart of everything they do.

So that we can successfully achieve our aims, we have developed a clear set of strategic objectives, including our 'People' aim to make LCHG the best place to work through delivery of the People Promise and working to become the employer of choice.

We are committed to team working and believe that every staff member should have the opportunity to contribute to service development and transformation as well as improvements in service delivery.

This is a very exciting time to be joining our Group. In return for your commitment to our services and our values, we offer a rewarding and supportive place to work. Our staff benefits package includes generous holiday entitlements, flexible working, a great pension scheme and extensive local benefits, including attractive relocation packages for certain posts, access to on-site accommodation and a discounted car lease scheme.

If you have the relevant skills, experience and qualities we are looking for and share our values, we would really like to hear from you. We welcome your application and I hope to meet you very soon as a new starter.

With very best wishes.
