Visa and Certificate of Sponsorship (CoS) Information for Applicants

We appreciate your interest in joining our NHS Trust. We welcome candidates from around the world and are dedicated to ensuring that recruitment follows UK immigration regulations. Below, you will find a summary of important information regarding visas and Certificates of Sponsorship (CoS) for applicants.

🛂 **Right to Work in the UK -** All applicants must have the right to work in the UK before taking up employment. This may be through British citizenship, settled/pre-settled status, or a valid visa.

📄 *Applicants are responsible for ensuring they hold the correct immigration documentation for the role they are applying for.*

📌 **Sponsorship Eligibility -** The Trust may consider offering visa sponsorship for certain roles, depending on workforce requirements and national immigration rules.

📝 *Sponsorship is reviewed on a case-by-case basis and is subject to the availability of a Certificate of Sponsorship, Home Office compliance and Trust eligibility criteria. There is no automatic entitlement to sponsorship.*

🔍 **Applying for a Sponsored Role -** Sponsorship is not automatically associated with any vacancy.

📬 *Where sponsorship is available, this will be stated in the job advertisement. Sponsorship is only considered after a conditional job offer has been made and eligibility has been reviewed.*
